Time	Agenda Item	Presenter / Lead
5 min	Introductions & Agenda	UCM initiates
10 min	Review Departmental Vision, Goals & Objectives	Department Leadership
30 min	Program Verification A. Verify <u>each</u> line item on the Sub-Committee's Program Space List: 1. High level introductory discussion of basic requirements of program element and how it fits into the overall program. 2. Is the program element an extension of an existing campus program or is it a new program on campus? a. Are there existing functions on campus doing this? b. Are there examples of this type of space on campus that are worth visiting to convey understanding of what the intentions and requirements are? 3. Discuss the program element relationship with other program elements (group program elements as appropriate)	SCB, GLP
10 min	Next Steps Confirm Meeting and Workshop dates upcoming, and/or need for additional breakouts.	SCB
